Guthrie Has Only Municipal Bath House in America

For something over a year Guthrie has had the distinction of possessing the only Municipal Baths in America and also a bath house that is second to none in this country and each day and week and month the fame of the city as a health resort and a place of recreation spreads over the land. People from far and near are constantly coming to take the baths and the Artesian Mineral Waters of Guthrie are now being shipped to twenty-seven different states.

The cures achieved by taking the baths are many of them but little short of miraculous—many people coming to the bath house in wheel chairs or on crutches going away walking with the step of youth in a comparatively short time.

The Guthrie waters have proven efficacious in rheumatism, stomach, bowel and skin troubles, insomnia and all nervous diseases and an absolute cure for alcoholism and the bath house is equipped to give every known treatment with the most

modern appliances known to science. The prices for baths and treatment are the same as established by the government at Hot Springs and the government analysis of the waters shows them equal to any of the famous waters of Europe or America.

Board and other accommodations are very reasonable in Guthrie and those who are afflicted with any of the diseases for which the Guthrie artesian waters are recommended can get treatment and sure relief here and effect a great saving in expense. Those interested should write the Guthrie chamber of commerce for descriptive booklets, analysis of waters, testimonials, etc.

FIVE CENTS PROVES IT

business transactions.

The evening sermon was taken from the sixth chapter of Exodus, first to eighth verses, which reads in part as follows: "And I have also heard the groaning of the children of Israel, whom the Egyptians keep in bondage; and I have remembered my covenant." This was another strong sermon on the social condition of this world—one of a series that Rev. McCallister is preaching on this all-absorbing problem.

SEVENTY-SEVEN YEARS OLD. George W. Clough, Prentiss, Miss., who had suffered greatly with kidney trouble, writes: "Foley Kidney Pills are the only remedy that ever did me any good." Just think of the relief and comfort that means to him. Foley Kidney Pills are recommended for sleep disturbing bladder troubles, pain in sides or back, rheumatism, and kidney and bladder ailments. For sale by all druggists.
